

**University Assistant (prae doc, 30h/week)
at the Department of Environmental Geosciences
<http://umweltgeologie.univie.ac.at/>**

Identification number of advertisement: 1995

We are looking for a Ph.D. student in the field of Earth Sciences, Environmental Sciences or related sciences. We offer a 4 year pre-doc research assistant position with the possibility to achieve a Ph.D. The research profile must be in accordance with the research goals of the department (see webpage). We offer a position in a highly motivated international English speaking group and excellent lab conditions. We expect the active contribution to the working group and tasks in the Department. Diploma/Master in Earth Sciences, Environmental Sciences or Chemistry is required. Very good analytical or modeling experience to achieve the own research goals, which must be in accordance to the goals of the Department, are helpful.

Applications including a letter of motivation and a research statement (2-3 pages) should be sent to sabine.kranzl@univie.ac.at **AND** via Job Center to the University of Vienna (<http://jobcenter.univie.ac.at>) and be referenced to the identification number 1995.

For further information please contact Kranzl, Sabine sabine.kranzl@univie.ac.at .

The University of Vienna intends to increase the number of women on its faculty, particularly in high-level positions, and therefore specifically invites applications by women. Among equally qualified applicants women will receive preferential consideration.
