Wasser 2024

Annual Meeting of the
Society of Water Chemistry
May, 6 - 8, 2024

Limburg/Lahn

www.gdch.de/wasser2024

INVITATION

The Wasser 2024 will take place from May 6th – 8th, 2024 in Limburg/Lahn.

SCOPE OF THE CONFERENCE

The WASSER is the central German conference that highlights current research results in the water sector. Experts from water chemistry, water treatment and specialists from other water disciplines meet for a lively exchange of experiences and ideas. A special focus is given to meeting in person and discussing current scientific challenges and latest scientific results in all topics related to water.

CONFERENCE VENUE

Stadhalle Limburg (Town Hall)

Further information about the conference location can be found on our webpage and in the program booklet. The Wasser 2024 is a face-to-face meeting.

LECTURE AND POSTER SUBMISSION

Abstracts can be submitted in English or German for lectures and posters on the following topics:

- Wastewater treatment processes
- Drinking water treatment and distribution
- Analytical methods
- Detection/occurrence of nanoparticles and microplastics
- Hygiene and microbiology
- Modern bioanalytical procedures
- Detection/occurrence of natural/anthropogenic (pollutant) substances
- River systems, lakes/dams and groundwater
- (Eco)toxicological methods/studies
- Climate change: impact on water management
- Marine chemistry
- Standardization

Please submit contributions by

December 1st, 2023

at latest via:

www.gdch.de/wasser2024

The guidelines for abstracts can be found at

<http://www.wasserchemische-gesellschaft.de/de/veranstaltungen/jahrestagungen/limburg-6-8-mai-2024>

Please highlight the innovation of your results and provide hints for potential applications. The scientific committee evaluates the quality of the abstracts and is responsible for the scientific program. The time for presentations will be 15 minutes plus 5 minutes for discussion. On Wednesday posters will be awarded.

LANGUAGE

Lectures/posters and discussions are in German or English.

PUBLICATIONS

The accepted abstracts will be published in the conference proceedings, which will be available to all participants in digital form at the beginning of the conference. In addition, selected abstracts will be published in the journal "Vom Wasser" after agreement of the authors.

SCHOLARSHIPS

The Society of Water Chemistry offers a limited number of scholarships to students and doctoral candidates giving oral lectures or presenting posters. The applications can be downloaded from the conference homepage:

<http://www.wasserchemische-gesellschaft.de/de/veranstaltungen/jahrestagungen/limburg-6-8-mai-2024>

Please send the completed form to the Society of Water Chemistry by March 1st, 2024 at the latest.

GENERAL MEETING

On Monday, May 6th, 2024, we invite you to the General Meeting of the Society of Water Chemistry in the Limburg town hall. Afterwards we will have the "Colorful Night of Posters" with snacks and drinks.

AWARDS

At the annual conference, the Society of Water Chemistry awards outstanding doctoral theses and outstanding research in the field of water research. Both are sponsored by the Walter Kölle Foundation. The deadline for submitting proposals is October 31st, 2023 and should be addressed to the chairman of the Society of Water Chemistry. Information can be found at <http://www.wasserchemische-gesellschaft.de/de/ueber-uns/die-walter-koelle-stiftung>

SOCIAL PROGRAM

On Sunday evening, May 5th, 2024, a get-together will take place in combination with the Young Researchers Forum. City tours are scheduled for Monday and Tuesday afternoons. On Tuesday evening we meet for a "networking dinner".

ACCOMMODATION

We have reserved room contingents for participants in various hotels. Due to the low availability of hotel rooms, we advise you to make your reservations as soon as possible (keywords: Wasserchemische Gesellschaft):
